Prickly Pear BBQ Lunch & Snorkel Sail

Always be yourself, unless you can be a Pirate, then be a Pirate

Or, just play Pirate for the day as you sail with us to Prickly Pear, one of Anguilla's stunning offshore cays. Help us raise the sails, take the tiller, play Captain, or just relax on our deck with a cocktail as you scan the waters looking for turtles and dolphins.

At Prickly Pear discover the underwater magic that exists below the surface as you snorkel Anguilla's reefs, teeming with tropical fish. After a fantastic snorkel or swim, enjoy a refreshing cocktail at the Tiki Bar and try hand feeding a banana-quit from the palm of your hands.

Enjoy a traditional Caribbean barbecue lunch of chicken and/or ribs in the shade of Prickly Pear's beach restaurant. After lunch, there will be ample time for snorkeling, walking Prickly Pear's pristine white sandy beach in search of the perfect shell, or float in it's warm shallow waters.

Towards mid afternoon we will begin our voyage back to Anguilla. As we set sail, toast a rum punch to Pirates, treasure, favorable winds, and a memorable day!
